PROFILE BRIEF

Information Technology undergraduate and full-stack developer with hands-on experience designing and developing responsive, user-focused web applications using React, Next.js, TypeScript, JavaScript, Node.js, MySQL and MongoDB. Brings a complementary foundation in UX design, supported by the Google UX Design Professional Certificate, alongside exposure to AI, RESTful APIs and modern web technologies. Demonstrated problem-solving and innovation through competitive programming and university innovation challenges, complemented by leadership experience across IEEE, AIESEC and university initiatives, including team leadership, student representation and event coordination. Adept at translating ideas into practical digital solutions while collaborating across technical, academic and diverse team environments.

EDUCATION

Bachelor Science in Information Technology — **2023 - present**
University of Vavuniya

Diploma in IT — **2018 - 2019**
Esoft Metro Campus

Diploma in English — **2018 - 2019**
Esoft Metro Campus

PROJECTS

Evently Campus — **Ongoing**
Developed Evently Campus, a responsive university event platform using Next.js, TypeScript, and Tailwind CSS, featuring event discovery, schedules, digital registration, QR ticketing, and an interactive campus map.

Roomify — **Ongoing**
Developed an interactive room design platform using React.js and Tailwind CSS, featuring furniture customization, drag-and-drop room planning, budget tracking, and responsive UI components.

GlobalMax Website — **Ongoing**
Developed a responsive corporate website for Global Max Networks using Next.js, TypeScript, and Tailwind CSS, featuring service showcases, company information, achievements, and reusable UI components.

Foodie Drop — **2026**
Responsive full-stack food delivery platform with product browsing, cart, checkout, and RESTful APIs.

Internship & Career Development Hub — **2025**
Web-based internship and career platform with responsive UI, authentication, profiles, job applications, and MySQL integration.

Project & Team Task Management Platform — **2024**
Full-stack task management platform with role-based dashboards and database integration.

ACHIEVEMENTS

IEEE Xtreme 17.0-19.0 Programming Competition - Global Participant | 2023–2025
Participated in the global-level competitive programming competition, competing among 19,000+ participants worldwide.

YESSIST12 2024 - Innovation Challenge Achievement | University of Vavuniya | 2024
Won the Preliminary Round of the Innovation Challenge Track as a member of Quantum Quest.

ZeroPlastic Volunteer Awards 2024 - Hero Volunteer | ZeroPlastic Movement | 2024
Recognized as a Hero Volunteer for contributions to climate action, plastic pollution reduction, and sustainable practices

IEEE Sight Sprints 2025 - Organizing Committee Member | IEEE | 2025
Contributed to event coordination, teamwork, and successful execution of the SDG Sprints initiative.

Certificate of Appreciation - IEEE Career Compass Workshop | IEEE Student Branch, University of Vavuniya | 2025
Recognized for contributions to event coordination, teamwork, and pre and post-event support.

CERTIFICATIONS

- Google UX Design Professional Certificate | Google | 2025
- Certificate of Appreciation – Postman API 101 | Postman Student Leader Program, University of Vavuniya | 2025
- Certificate Course in Artificial Intelligence | Great Minds Campus, Sri Lanka | 2024
- Basic Programming & Web Development |Pattarai Academy for Skills Excellence (PASE) | 2023

TECHNICAL SKILLS

- **Programming & Development:** Java, Python, C++,HTML, CSS, JavaScript, React, next.js, node.js
- **Web & Database:** WordPress, MySQL, MongoDB
- **UI/UX Design & Tools:** Figma, Adobe XD, Canva
- **Software & Tools:** MS Office, Visual Studio
- **Project Management tools :** Trello,Jira

SOFT SKILLS

- Leadership & Team Management
- Communication & Presentation
- Problem-Solving & Critical Thinking
- Event Planning & Organization
- Collaboration in Multicultural / teams

VOLUNTEERING EXPERIENCE

Student Volunteer

- **ICAS International Conference, UNIVERSITY OF VAVUNIYA | 2025**

Served as a Committee Member, supporting conference coordination and event activities.

- **IEEE EMBS Sri Lanka Chapter, IEEE EMBS AXON 2025 | May 2025**

Served as a Secretariat and Program Team Member, supporting program planning, activities, and event coordination.

- **APPRA CONFERENCE, HARMONY CENTRE, UNIVERSITY OF VAVUNIYA | 2024**

Served as a Media Sub-Committee Member, supporting media activities and conference coordination.

- **UNIVERSITY OF VAVUNIYA – INTER-FACULTY FRESHERS' AWARDING CEREMONY | 2024**

Served as a Committee Member, supporting venue decoration, hall arrangement, and event coordination.

LEADERSHIP & ACTIVITIES

IEEE Student Branch University of Vavuniya (2025 - 2026)

Serving as **Chairperson**, leading the student branch, coordinating activities, and supporting the planning and execution of technical and professional initiatives.

AIESEC in Vavuniya (2024 - 2026)

Served as an **OGV Manager** and Team Lead, coordinating team activities and supporting the management of exchange-related initiatives.

G17 UNIVERSITY AMBASSADORS CONSORTIUM (2025 - 2026)
